Mary will provide Genesis heat-set artist oil paints. Genesis paints provide all the benefits of oils, without the odor. The paints dry when heat-set and clean up with Dawn dishwashing liquid. The palette lasts indefinitely and the brushes need to be cleaned only for storage. Mary uses video projection equipment and walks the students through the painting one step at a time. ***All levels welcome.***

With Mary's step-by-step technique, demonstrations, and watchful eye, you will be taken to YOUR next level of achievement. Mary has a degree in Fine Art, is certified in Decorative Art, and has a certificate in Adult Education.

**You won't want to miss the opportunity to paint with Mary!!!**
